HELP BRING LAUGHTER, FUN AND POSITIVITY BACK INTO THE LIVES OF KIDS FACING CANCER!

esCarpade takes place over seven days, with more than 60 cars and heaps of characters! Fill it with laughter, bind it with camaraderie, and serve it up on some of the most spectacular dirt routes in Outback Australia. It's Australia's favourite motoring adventure and raises money to support kids and families experiencing the traumatic realities of cancer.

Please help me reach my fundraising target!
