

TEMPORARY LOCAL RULES ABNORMAL COURSE CONDITIONS

TREE ROOT REMOVAL (REPAIRS, LAID TURF & UNFILLED HOLES):

Effective Date: This rule remains in place until cancelled

Any unfilled holes resulting from Tree Root removal or Stump Grinding are declared as GUR.

All areas where tree roots or stumps were removed and filled with sand (Not Divots) or laid turf, are declared as GUR.

If a player's ball comes to rest in or on any such area, or such area interferes with a player's stance or swing, a player is entitled to free relief under Rule 16.1.

Relief Area:

Within one club length of the nearest point of complete relief, no nearer the hole. The ball must be dropped in and come to rest in the relief area.

COURSE CONFIGURATION

Effective Date: 31st January until cancelled

Hole 1 to 18 will reopen with Hole 2B being taken out of play. The temporary green on hole 4 will remain in play until mid February when the green proper will reopen (rear 2/3) with the collar and the new front section of the green declared NPZ until further notice.

COLLAR REPLACEMENT – HOLES 1, 2B & 4 GREEN ROVAVATIONS – HOLE 4

Effective Date: 31st January until cancelled

Any newly laid collars and Stolonised area of the 4th Green are declared as No Play Zones (NPZ).

RELIEF OPTIONS:

- If a player's ball lies on or in such NPZ, or
- If the NPZ interferes with a player's stance or swing;

Free relief **MUST** be taken in accordance with Rule 16.1f.

Therefore:-

- If a player's **ball lies on or in such NPZ**, the player may take free relief by dropping the original ball or another ball on the spot of the nearest point of complete relief, no nearer the hole **BUT NOT ON THE GREEN**.
(If a ball comes to rest on the Stolonised area of the 4th green, it is declared as NPZ General Area, must be picked up using the Ball Scoop Provided and dropped in the General Area – **(DO NOT WALK ON THE STOLONS)**)
- If a player's **ball is on the putting green** and there is interference by such NPZ (Stolonised Area or Collar), the player may take free relief by placing the original ball or another ball on the spot of the nearest point of complete relief **ON THE GREEN**.
